WOMEN IN A DRINKING BOUT

And One of Them Was His Wife, Taggart Alleges—Scene of Fest Was Ft. Thomas Canteen,

According to the Strange Recital of the Major, Who Names a Lot of Army Officers in Sensational Amendment to a Divorce Petition.

Wooster, Ohio, April 17.—An amended petition for divorce has just been filed here by Major Elmore P. Taggart, U. S. A., whose original plea, entered some time ago, for legal separation from Grace Viola Taggart, caused a sensation in society and in army circles.

In his original prayer for divorce the Major set forth that his wife had deserted him and had received the attentions of Captain Louis Dash, U. S.

She came here from San Francisco to file a cross petition for divorce and in the custody of their two children. He set forth that in Fort Leavenworth Taggart threw her with some force against a chandelier as to dislodge her jaw, and that he beat her repeatedly. She says that while living at Fort Leavenworth, at the request of her husband, she attended a social affair with Captain Moore and wife and Lieutenant Granville Fortesque. Lieutenant Fortesque is a relative of President Roosevelt. She said that when she returned to her home in company with Captain Moore, Taggart charged her with being intoxicated and when she passed through the door, rubbed her and tore her clothes from her body. She named a Filipino woman as correspondent.

The Amended Petition.
In the amended petition Taggart not only reiterates the charges in which the named Captains Dash and Fortesque, but cites other incidents of alleged misconduct on the part of his wife with officers of the United States army, one of them with the rank of colonel. He wants a divorce on statutory grounds, and names Lieutenant Althier William Taggart, Clinton Spencer and Colonel Charles W. Miller, at present stationed at Columbus Barracks, Ohio. He declares that Captain Moore and Colonel Miller conspired to have him confined in the Fort Leavenworth hospital on the charge of acute alcoholism. In addition he names Colonel Miller as party to relations with his wife that are held to be grounds for divorce.

Some of the alleged acts of misconduct on the part of Mrs. Taggart, according to the amended petition, were committed in Cincinnati and in Fort Thomas; others in Chicago, where the couple were married. Still others are alleged to have been committed at the home of his parents; in the Windsor Hotel, in Akron, Ohio; in his own home in Orville, Ohio; in Matanzas, Cuba; in Manila, P. I., and elsewhere. In the Orville instance the Major names one William Taggart. In the home of her mother in Chicago he declares she received

Clinton Spencer, who is also named in the instance in which Cincinnati is alleged to have been the scene.

He says that in 1896, at Ft. Thomas, Ky., she engaged in a drinking contest in an army post canteen with Mrs. Moore and other women, to determine who could drink the greatest amount of intoxicants.

Drunk in a Saloon.
He says that in the year 1898 he found her at Matanzas, Cuba, at two o'clock in the morning in a highly intoxicated condition drinking with two men; at Highland Park, in 1900, while associating with one Spencer, she became so intoxicated that Spencer carried her up stairs and put her to bed. At Fort Leavenworth, while associating with Lieutenant Fortesque, she became intoxicated with Fortesque and other men. Major Taggart declares that Mrs. Taggart, with two other women visited a resort at San Francisco and witnessed strange conduct on the part of women.

He declares that she squandered his money for liquor and cigarettes and that she was wont to smoke cigarettes in the presence of their little ones.

Major Taggart is now in charge of the United States army transport Thomas, en route from Manila to San Francisco.

Attorneys for Mrs. Taggart are authorized for the statement that the officers whose names are mentioned in connection with the suit for divorce have sent word that they will be here to give evidence in Mrs. Taggart's behalf when the case is called.

Colonel Miner, who is now stationed at Columbus, Ohio, at the military post in that city, has learned of the allegations made against him by Major Taggart and has sent word to Mrs. Taggart's attorneys that he will come here in person to face the accuser and give evidence in behalf of Mrs. Taggart.

Congressman M. L. Smyser, attorney for Mrs. Taggart, and Ed. S. Wertz, of this city, for Taggart, will be at Fort Thomas, Ky., on Monday to take disposition of army officials at that post.

Miss May Argue will leave this week for New York City from where she will sail for Europe for a three months sojourn. Miss Argue will be accompanied by a former schoolmate and mother, of Cleveland.

LIVELY

Wheelbarrow Ride Given a Bride to Be at Marion.

WILL BE READ WITH INTEREST BY LIMAITES BECAUSE A LIMA MAN IS TO BE THE GROOM.

Marion, Ohio, April 17.—As a final to the entertainment given at the home of Miss Clara Titus in honor of Miss Clara Snyder, who is to be married early next month to Mr. George Dangler, of Lima, Miss Snyder had a wheelbarrow ride through some of the principal streets of the city early Saturday morning. It was given by her girl friends.

The young people had been making merry at the Titus home until well after midnight, when some one suggested the wheelbarrow ride. The bride demurred, but her protests were in vain. A wheelbarrow was secured, she was bundled into it and the procession started, the girls carrying Japanese lanterns to add to the picturesque. Taking turns at the handles, the fair jokers traversed their victim along, their shouts and laughter, fortunately for them, failing to attract the attention of any friendly bluecoat.

FUNERAL OF MRS. ANNA YAEGER
At two o'clock this afternoon from the German Reformed church, was held the funeral of Mrs. Anna Yaeger, Rev. Land officiating.

WEDNESDAY.
A RIBBON STRAPPED BLOUSE.

Dimly little separate blouses to be worn with either the short-sleeved skirt of the morning or with the dresser ones of silk or velvet for the afternoon, take up much of a dressmaker's time and attention just now. The illustration offers a good model. There is a boned and fitted lining, over which a net lace with a simple but well-covered design is fuller, a layer of chiffon interposed between the lace and lining, to soften the effect. The fastening is in the back which is drawn down snugly to the belt, and the fronts are just as at the waistline, there being no pouching or bagging over. The sleeve is a full puff with a deep mitaine cuff, finished with a lace frill. The ribbons are posed in brettele fashion, the pointed ends passing through silk crocheted rings below the bust, and the ends caught together in a bow either side of the waistline. The sleeve is similarly decorated.

NAN PATTERSON WANTS YOUNG MEN JURORS IN HER THIRD TRIAL

Actress to Insist Veniremen Shall Not Be Old—Forty Years is Limit

Accused Woman Would Have for Those Who Will Pass Judgement on Guilt or Innocence.

New York, April 17.—When Nan Patterson goes to trial for the third time for the death of "Caesar" Young, she will insist upon a jury composed of young men. Daniel O'Reilly, her counsel, stated today

that Nan Patterson would object to jurymen more than forty years old. She believes a jury of younger men than she had last time would never convict her on evidence presented by the prosecution.

The third trial is scheduled to begin this morning. It is believed at least three days will be spent in securing the jury.

United States District Attorney J. J. Sullivan for the Northern District of Ohio and ex-United States Judge Francis J. Wing appeared in the Appellate Court yesterday to get the Judges to fix bail pending the appeal. This was done so that the prisoner may have a chance to secure surety if she so desires. It is believed that a friend, or big financier, who has been involved in some manner in her troubles, will furnish to some bonding company enough good collateral as security in order that the latter may be induced to furnish bond, and thus help to conceal the identity of her "friend."

Mrs. Chadwick was sentenced to 10 years in the Ohio Penitentiary on charges of smuggling precious stones and other articles into this country and for conspiracy in endeavoring to wreck the national bank of Oberlin, Ohio. Her case will not be heard in the court of Appeals until next fall.

CASH WILL LET HER OUT OF JAIL

Cassie Has Arranged to Give Bail.

FEDERAL APPELLATE COURT FIXES AMOUNT OF BOND IN THE CASE WHERE CONVICTION WAS SECURED.

Cincinnati, O., April 17.—Because the United States Circuit Court of Appeals yesterday fixed a \$5,000

bond for Cassie Chadwick, the queen of financiers, pending the decision upon a writ of error that has been allowed from the decision of the Federal District Court of Cleveland, Ohio, it must be imagined that this will give her a chance to gain freedom if surety to this amount is given. There are probably 10 cases pending against her in the Federal and state Courts, and in each she has been required to give a bond, making the aggregate amount of them reach about \$31,000 so that if she furnished bond in any one or more cases she will still be confined in the Cleveland Jail, where she now is, under the remainder.

Steamer Arriving at Hong Kong Reports Having Heard Guns—Eighteen Russian Ships Sighted on Friday.

HONG KONG, April 17.—The steamer Tele-machus reports that she heard firing 150 miles north of the Natuna islands at 3:20 o'clock in the afternoon of April 12.

MYSTERIOUS WIRELESS MESSAGE

MANILA, APRIL 17.—THE CRUISER RAINBOW, THE FLAGSHIP OF THE PHILIPPINE SQUADRON, RECEIVED A WIRELESS TELEGRAM AT 6 O'CLOCK YESTERDAY EVENING FROM SOME POINT ESTIMATED AT ABOUT SIXTY MILES OFF THE ENTRANCE OF MANILA BAY, AS FOLLOWS:

"IS THERE ANYONE INSIDE WITH A WIRELESS APPARATUS?"

THE FOLLOWING ANSWER WAS RETURNED:

"DO YOU WANT TO COMMUNICATE?"

NO REPLY WAS MADE TO THE QUESTION, AND THE TORPEDO BOAT DESTROYERS DALE AND DECATUR WERE SENT TO INVESTIGATE. THEY HAVE RETURNED TO PORT WITHOUT HAVING SOLVED THE MYSTERIOUS MESSAGE.

Singapore, April 17.—The North German Lloyd steamship Prima Heinrich reports that she sighted eighteen vessels of the Russian Baltic squadron in Kamrah bay at noon on Friday last. The steamer did not sight any Japanese warships.

Kamrah bay is in Cochin-China about two hundred miles northwest of Saigon.

St. Petersburg, April 17.—There is no information from Vice Admiral Rojestvensky's squadron but the admiralty would not be surprised to learn of skirmishing between scout ships today or tomorrow.

Mrs. David Huggitt, who lives on west Wayne street near the Disciple church, while on her way to church Sunday morning, slipped at her home and in falling fractured her hip. Owing to her advanced age, she being 76 years old, the injury is a very serious one. The patient was removed to the city hospital this afternoon.

Mr. C. C. James, of Norton, Ohio, has returned home after a visit with his grandmother, Mrs. A. E. Conklin, of south Pine street.

Fifty Seven Years of Married

LIFE DEATH SEPARATES THIS AGED COUPLE—DEATH OF MRS. MARY MITCHELL THIS AFTERNOON.

Mrs. Mary Ann Mitchell, at the advanced age of seventy-nine years, died at her home, 118 west Elm street this afternoon at one o'clock, of general debility. Deceased had been sick but one week. The funeral arrangements have not yet been completed. She has been married fifty-seven years and leaves a husband and four daughters: Mrs. Timothy Shroyer, of Lima; Miss Clara Mitchell, who lives at home; Mrs. Roe Christ, of Indianapolis; Mrs. Charles Banta, of Lima, and one sister, Mrs. Caroline Coste, of Lima.

TERRIBLE FATE OF YOUNG GIRL

Body of Young Woman Found Horribly Mutilated in Woods—Two Negroes Suspected of Committing the Crime.

Little Falls, Minn., April 17.—There is great excitement here today over the discovery of the dead body of Annie Kintop in the woods about four miles from this city. The body was entirely stripped of clothing, a handkerchief was tightly twisted about the neck and the head was a mass of bruises. Two negroes were seen in the vicinity of where the body was found and a search is being made for them. The girl was about to leave for a homestead claim, and had been in the city purchasing supplies. She left here Monday evening for Darling, from which station she was to walk to her home, a distance of about two miles. After leaving Darling she was not seen again until her body was found today. The place where the girl's body was found bears evidence of a terrific struggle. Charles Nelson, living near the scene of the murder, heard screams about dusk on Monday night and saw two unknown negroes near the spot. A posse has been organized and the country is being scoured for the negroes.

NEARLY FOUR MILLION DOLLARS

Paid in Salaries to Baseball Players.

MINOR LEAGUE TEAMS DRAW \$3,150,000 MORE A SEASON IN ADDITION TO LARGE AMOUNTS OF INCIDENTALS.

It costs no small amount of money to provide the American public with entertainment in the way of baseball games, as shown by the expense books of the professional baseball associations. In the National Association of Minor Leagues alone the salary account of the season will be close to \$3,150,000. The association has a membership of 25 leagues and each one of the leagues has from four to eight clubs, in most cases eight. The Minor League association pays out in salaries each month the sum of \$750,000. Then there is the expense of travel and board of players, to say nothing of the expense of getting the grounds in condition and maintaining them during the season. The amount of money paid out to get to the ready for the season is far in the thousands. The reconstruction of the stand and park will cost about \$4,500, and this, with salaries and expenses of men, will put a large amount of money on the wrong side of the ledger before the season opens.

The monthly salary account of the major leagues is \$125,000. The major league season lasts six months, and this makes the salaries for sixteen clubs amount to \$750,000. The total amount of salaries paid to players in nearly \$4,000,000. In addition to the salaries of players, there is the cost of groundkeepers, rent and policemen, with other incidentals. A great many paid admissions are required to keep the ball rolling.

We Paid \$100,000

For Liquezone. Yet We Give You a 50c. Bottle Free.

We paid \$100,000 for the American rights to Liquezone, the highest price ever paid for similar rights on any scientific discovery. We did this after testing the product for two years through physicians and hospitals, in this country and others. We cured all kinds of germ diseases with it—thousands of the most difficult cases obtainable. We proved that in germ troubles it always accomplishes what medicine cannot do. Now we ask you to try it—try it at our expense. Test it as we did; see what it does. Then you will use it always, as we do, and as millions of others do. You will use it, not only to get well, but to keep well. And it will save nearly all of your sickness.

There lies the great value of Liquezone. It is the only way known to kill germs in the body without killing the tissues, too. Any drug that kills germs is a poison, and it cannot be taken internally. Medicine is almost helpless in any germ disease. It is this fact that gives Liquezone its worth to humanity. And that worth is so great that we have spent over one million dollars to supply the first bottle free to each sick one we learned of.

There are many diseases that begin with fever—all indigestion—all catarrhs—all inflammations—all the results of impure or poisoned blood. In Liquezone Liquezone acts as a vitalizer, accomplishing what no drug can do.

50c. Bottle Free.

If you need Liquezone, and have never tried it, please send us this coupon. We will then mail you an order on a local druggist for a full-size bottle, and we will pay the druggist ourselves for it. This is our free gift, made to convince you; to show you what Liquezone is, and what it can do. In justice to yourself, please, accept it today, for it places you under no obligation whatever.

Liquezone costs 50c. and \$1.

Germ Diseases.

These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain. Liquezone attacks the germs, wherever they are. And when the germs which cause a disease are destroyed, the disease must end, and forever. That is inevitable.

Kills Inside Germs.

Liquezone is not made by compounding drugs, nor is there alcohol in it. Its virtues are derived solely from gas—largely oxygen—gas by a process requiring immense apparatus and 14 days' time. This process has, for more than 20 years, been the constant subject of scientific and chemical research. The result is a liquid that does what oxygen does. It is a nerve food and blood food—the most helpful thing in the world to you. Its effects are exhilarating, vitalizing, purifying. Yet it is a germicide so certain that we publish on every bottle an offer of \$1,000 for a disease germ that it cannot kill.

STANDARD

Refuses Oklahoma's Production.

Bowling Green Man Has Thousands of Barrels Untaken.

Bowling Green, Ohio, April 17.—A letter to relatives from a member of W. H. Millikin's family now in Cleveland, Oklahoma, tells of the difficulties experienced by the oil producers in the field and relates a phase of trouble scarcely expected. Mr. Millikin, who has from this section, has 4,000 barrels of oil in tanks on his lease which he cannot dispose of, the pipe line company refusing to run it. This action by the Standard Oil company is unusual and no cause is known for the refusal to take oil. As the Oklahoma territory is now producing more oil in a day than it will produce in a year in future times, this situation annoys Mr. Millikin exceedingly, and what to do he does not know. He has several wells on his lease that are making 150 barrels per day. These are inactive because of lack of market.

THE NAZARENE CHORUS.

Last Friday evening at Epworth church under the direction of Mr. J. L. Bowdle, a chorus of seventy-five voices assisted by the Watson orchestra rendered this most beautiful cantata to a large and enthusiastic audience. Long before the time appointed people were lined up in front of the church, awaiting the time to receive a choice seat. The auditorium being filled to its full capacity, they were compelled to secure seats in the Sunday school room until the house was packed. The choruses, were the finest of the season. The special parts were rendered in a very effective manner and the richness of the program was complete. The soprano solos by Mrs. R. H. Eberole, Mrs. E. V. Wells, Mrs. Pearl Tyler, were complimented very highly for the artistic manner of rendition.

The alto solos by Miss Helen Baudou, Miss Lou King were charming in their effect upon the audience and received hearty applause throughout the program. Tenor solos, Mr. R. H. Eberole, Mr. Randall, Mikessell. Their part, while the range being very high, yet was mastered with the best effect.

The basses, Mr. Marion Vermillion, Mr. Carl Alexander, were also a climax of the evening. The "Prophecy," the first selection rendered by Mr. Vermillion, was evidence to the audience that they were enjoying one of the best musical treats of the season. The program was interspersed with orchestra selections by the famous Watson orchestra which always receives hearty applause from music loving people. The choruses have been asked to repeat the program in the near future which will be determined later.

Beautiful Shoes

*old the charm to an
exquisite toilette*

To the American woman is conceded first place in the matter of beauty and taste in dress--to her discrimination also is due the fact that of all women's shoes in the world by far the largest sale is enjoyed by

"Queen Quality."

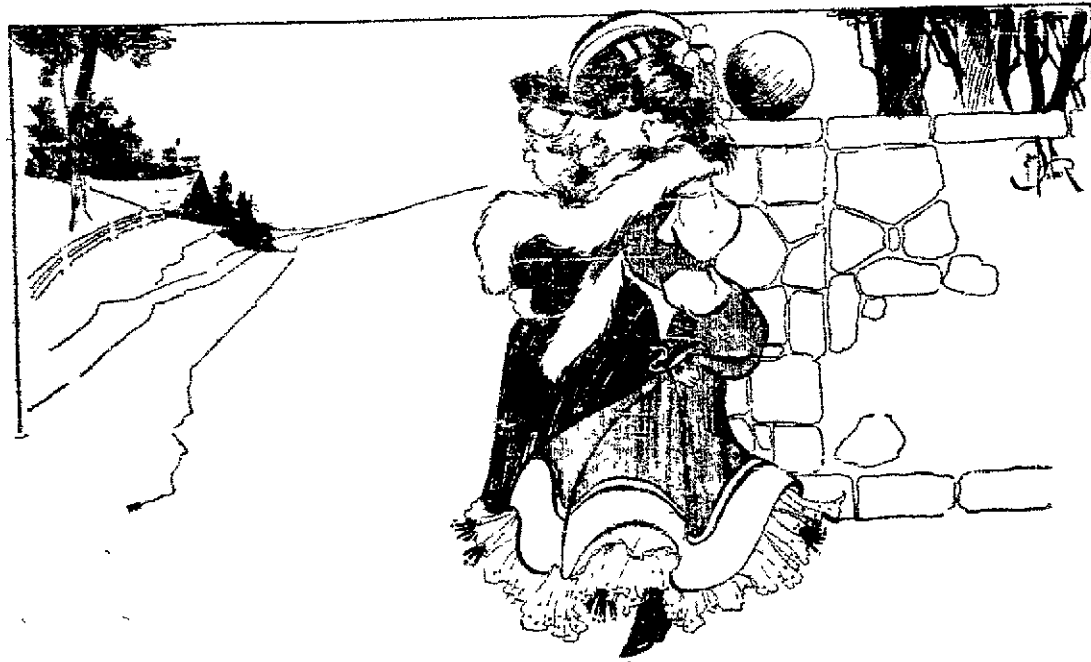

If you have experienced difficulty in obtaining moderately priced shoes combining graceful outlines and correct fashion with the firm, easy tread so essential to the well-poised figure, you will appreciate the elegance and comfort of the "Queen Quality" Shoe. It is the "glass of fashion and the mold of form" as applied to women's footwear--the perfect finishing touch to your Easter toilette.
